Friday, December 10th – Clean Up

9:30AM – 12:30PM

Students are required to come for the pack down their display, help IT, and staff unpack computers.

Student Exhibit Display Recommendations:

- Business cards are highly recommended, if not a necessity. Potential employers will be roaming and they often take a card and contact graduates later. You could even create hand drawn business cards, as long as something is there for people to take away.
- Bring your work on a USB, even if you are only displaying prints. Depending on numbers there should be an opportunity for all students to display work on a monitor.
 - Printing will be available at Queen Street and at City road for A4 and A3 sizes, however if you would like to print something of a different size, we recommend printing this yourself before you set up your space.

Dress code: Smart Casual.

Industries: On Wednesday night, industries such as MY TONA, Auckland Live, Geo AR games, VR Voom, Watermark Creative, IT360, Origami and other industries will be attending this event.

Food: We have delicious nibbles for the Opening Night, but because it's an Exhibition don't rely on it to be your dinner! If dinner is what you are after, please enjoy a dinner with your family first before heading into the exhibition.

Drinks: We will be serving alcohol for guests. Students must be over 18. Drink in moderation, we will have friends and professional industry guests floating around.

Security: We have security on Opening Night to make sure everyone is safe and we don't get any uninvited guests.

Parking: Keep in mind that there is no dedicated parking at the Queen Street Campus. If you are driving in to the city, we recommend that you park in one of the parking garages near to the campus.

Click the link below to see all available paid parking in the area.
